BACKWARD CLASSES WELFARE (C) DEPARTMENT

G.O.Ms.No.28 **Dated:25/10/2024**

O R D E R :-

The Government, in its endeavour to bring sustainable development in BC Communities and to reduce disparities in the development index, has decided to form welfare corporations for smaller groups of BC Communities.

2. Backward class welfare is essential to bridging the gap in development. In order to provide economic support, the schemes implemented previously were inadequate and did not reach a saturation point. A major share of the benefits was often cornered by dominant communities, and discretion in the selection of beneficiaries was rampant, leading to inequitable development.

3. In order to ensure equitable development of all sub communities of the Backward classes, to ensure coverage of all the eligible beneficiaries of even the smallest of the communities in terms of population based on the principle of saturation and to ensure transparency which eliminates the corrupt practices in selection and delivery of the benefits from the schemes, it is necessary that separate corporations have to be established for different sub communities to achieve equitable development.

4. In order to achieve the above, the Government of Andhra Pradesh have proposed for formation and establishment of a new Corporation namely AP Swarnakara Welfare and Development Corporation under A.P. Societies Registration Act, 2001, as to provide economic development to all the people who are engaged in the Swarnakara occupation as their livelihood.

5. The Government, after careful examination, hereby form and establish the AP Swarnakara Welfare & Development Corporation under the A.P. Societies Registration Act, 2001, in addition to the existing (56) Corporations, as to provide economic development to all the people who are engaged in the Swarnakara occupation as their livelihood. The structure of the Executive Committee (Governing Body) will be issued separately in due course and to utilize the staff sanctioned for the (56) existing BC corporations.

6. The Director, B.C. Welfare, A.P., Vijayawada shall take further necessary action in the matter accordingly.
